User's manual

8. Storage and management method

1) As sensor is sensitive part, be sure to maintain it in an optimal condition in order to ensure accurate measurement.

2) Avoid fire or direct sunlight and keep the product in a place where dust or contamination is not present.

10

User's manual

3) Keep the product in dry place. (Certain level of daily life water-proofing function is supported but complete water-proofing is not able to be guaranteed due to built-in sensors.)

4) Keep the product in a place where vibration or impact is not occurred.

5) It is recommended to keep the product under room temperature but if kept in any other place than room temperature place, be sure to use band after keeping it under room temperature for 10 minutes before use.

6) Carefully clean sensor window and charging terminal with cotton swab dipped in alcohol. Please use after passing 10 minutes.

9. Precaution

1) Do not disassemble, remodel the main body as it may lead to fire and failure.

2) Do not use or keep the product under high or low temperature.

3) Do not use or keep the product at a place where moisture, volatile

11

User's manual

substance or inflammables are present.

4) In case of using charger for vehicle, charger for general passenger car is limitedly permitted but cargo truck (over 1t) charger is not permitted to be used as the product may be damaged by its high output.

5) In case of using multiple App at the same time under mobile operation system, App may be finished and in this case, Bluetooth function may be also released.

6) In case that band is contaminated by colored cosmetics (sun cream, BB cream, colored cosmetics for females), be sure to clean it with wet tissue immediately. In case of leaving such contamination unattended for a long time (over 30 minutes), stain may not be removed and it should be cleaned by using cleaning fluid (alcohol).

7) App obtains relevant information through online in order to measure altitude or temperature precisely. In case of access by 3G, 4G in this process, data fee may be charged.
